Dear Parents,

Bi -Location Policy

Effective November 1, 2021

Sent out September 24, 2021

There will be a new school policy going into effect on November 1, 2021, due to health issues and we need to make sure you are informed.

As of November 1<sup>st</sup> 2021 we will no longer be allowing kids in our facility who split time with another daycare facility. This does not include single babysitters or nannies. Other daycare facilities bring in different germs and viruses, and when a child is at two facilities it means that we are now dealing with two facilities worth of health issues due to cross-contamination.

If there is an outbreak of an illness that gets traced back to your child and we find that you are in violation of this policy you will be **charged \$45 an hour** for the extra time that our school **nurse** must put in for care, tracing, and communication with parents of the other students. We will also **charge you a \$200 cleaning fee** for the extra deep cleaning that will have to be done to our facility to take care of killing the germs/virus that was brought in from the other facility.

If you currently are in two facilities, please let us know which facility you would like to use going forward no later than October 15<sup>th</sup>, 2021. We need to have time to make sure we have teachers in place for each extra day your child will be attending by November 1<sup>st</sup>, 2021 when this policy goes into effect if you are choosing Saint Miriam School and Daycare.

If you choose the other facility your last date with us will be October 31<sup>st</sup>. If you choose the other facility, then **we will fill the spots** for your children from our Waiting List. There will not be a spot for your child to return should you change your mind.

Please keep in mind that this policy is being put into effect for the health and well being of every child within the walls of Saint Miriam School and Daycare. Thank you for your time and attention in dealing with this issue.

God Bless,

Brother Sean Hall, Director

Sarah Ingalls-Howard, Assistant Director
